

Transition Forward

The health and safety of the Governor Mifflin School District students and staff remains, as always, the top priority for the organization. The GMSD Leadership Team will continue to take critical steps and make decisions that protect the health and safety of our organization in the ongoing response to the COVID-19 pandemic. Our goal is to collaboratively ensure that you continue to feel safe and secure while also keeping students in school so together we can successfully navigate into the 2021-2022 school year.

We will continue to monitor guidelines and recommendations, in order to revise the Organizational Standards and Expectations as appropriate.

As conditions change related to COVID-19, protocols are subject to change. Thank you for your ongoing support and continued commitment to transitioning forward!

In response to the expiration of statewide mitigation orders, the Organizational Standards and Expectations below outline the protocols we expect of all students and staff members as we transition forward.

ORGANIZATIONAL STANDARDS

EXPECTATIONS

SELF-SCREEN FOR COVID-19 SYMPTOMS

- | | |
|--|--|
| <ul style="list-style-type: none"> ▶ Stay informed about COVID-19 symptoms and monitor your health prior to reporting to and while at the school/work. ▶ If you are not feeling well, exhibiting COVID-19 symptoms (utilize the GMSD Daily Health Screening Tool), or taking fever reducing medication, stay home and/or seek medical attention following the usual procedures for reporting off of school/work. ▶ If you exhibit COVID-19 symptoms while at work/school, please return home and/ or seek medical attention following the usual procedures for reporting off of school/work. ▶ If you test positive for COVID-19 or have been exposed to individuals who have tested positive for COVID-19, follow the guidance provided by your health care provider. | <ul style="list-style-type: none"> ▶ Positive students and staff are prohibited from reporting to campus/school for the period designated by a medical provider. ▶ When made aware of a positive COVID-19 case, the school district will be notifying potential contacts/exposures. The district will coordinate with the DOH in regards to contact tracing and quarantining. ▶ Follow the GM processes and procedures for reporting communicable diseases to report exposure or positive COVID-19 test results the GM COVID-19 Hotline at 610-775-1461 x. 7113 |
|--|--|

DAILY HEALTH SCREENING

If you answer "yes" to any of the following questions, do not come to school/work. Symptoms should be closely monitored and if they persist, contact your healthcare provider.

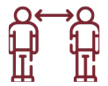

Do you have any one of the following symptoms:

- fever of 100.4 or higher
- cough
- shortness of breath
- difficulty breathing

Do you have two or more of the following symptoms:

- sore throat
- runny nose/ congestion
- chills
- lack of taste/smell
- nausea/vomiting
- headache
- diarrhea

In the last 14 days, have you been exposed to someone who has tested positive for COVID-19 or who is awaiting test results and presumed positive, and are you currently symptomatic?

ORGANIZATIONAL STANDARDS	EXPECTATIONS	
 <p>COMMUNICABLE DISEASE REPORTING PROCEDURES</p>	<p>The Pennsylvania DOH considers COVID-19 a communicable disease. As such, it is among DOH's listing of reportable diseases.</p> <ul style="list-style-type: none"> ▶ You are required to immediately report a suspected or known case of COVID-19 to the school district via the GM COVID-19 Hotline at 610-775-1461 x. 7113 ▶ Follow the recommendation of your healthcare provider and report the absence in accordance with standard procedures. 	<ul style="list-style-type: none"> ▶ GMSD is required to contact the Pennsylvania DOH and will follow their guidance. Guidance may include the following: <ul style="list-style-type: none"> ▷ Disease information ▷ The distribution of appropriate letters and communications ▷ Identification of high risk individuals ▷ Appropriate action and treatment ▷ Ongoing support and assistance
 <p>PRACTICE HAND HYGIENE AND RESPIRATORY ETIQUETTE</p>	<ul style="list-style-type: none"> ▶ Wash your hands often with soap and water for at least 20 seconds. ▶ If soap and water are not available, use hand sanitizer. ▶ Avoid touching your eyes, nose, and mouth. ▶ Cover coughs and sneezes with a tissue or cough or sneeze into your elbow. Used tissues 	<p>should be thrown in the trash can and hands should be washed immediately with soap and water for at least 20 seconds. Again, hand sanitizer may be used if soap and water are not available.</p> <ul style="list-style-type: none"> ▶ Increase monitoring to ensure adherence among students.
 <p>FACE COVERINGS</p>	<ul style="list-style-type: none"> ▶ Face coverings are required in all district buildings. ▶ Any student noncompliance with mask wearing requirement will be treated as a school disciplinary matter.
